

## Inserting Nano SIM, Micro SIM, and Micro SD DUAL SIM Cards

\* Slot 1 and Slot 2 can be used individually or combined at same time. Users have the option to use any SIM from any GSM carrier. SIMs from multiple carrier are supported.

Important:

Slot 1 Use solely for Micro SIM

Slot 2 can be used for either a Standard nanoSIM or a Micro SD Card

Inserting Micro SIM

1. With the phone facing up, insert the tip for a tray ejection tool or a small bent paper clip into the hole next to the SIM card tray that's on the right side of the phone. Push tip all the way in the hole until the tray ejects, and then pull the tray out.

2. Place your Micro SIM card into the tray with the gold contacts facing down and cut-off corner facing out

When reinserting the Nano Sim tray, make sure its facing down so that the nano SIM card doesn't fall out. Slide the tray all the way into slot

Slot 2 ( Nano Sim or Micro SD)

Inserting Nano SIM

3. Repeat Step 1, Place Nano SIM card vertically into the tray with gold contacts facing down and cut-off corner facing toward top of phone.

When reinserting the Nano Sim tray, make sure its facing down so that the nano SIM card doesn't fall out. Slide the tray all the way into slot

Inserting Micro SD

4. Repeat Step 1, Place your Micro SD card into the tray with the gold contacts facing down and cut-off corner facing out

When reinserting the Nano Sim tray, make sure its facing down so that the nano SIM card doesn't fall out. Slide the tray all the way into slot

Charge the phone

1. Connect the phone to the power adapter using the provided USB cable

2. Plug the power adapter into an electrical outlet to start charging. \* If phone fail to charge connect to phone a computer using the USB cable provided.

Turn on the phone

To turn on the phone, press and hold the POWER button.

When the phone goes to Sleep mode, briefly press the POWER button and then swipe up on the screen to unlock.

Set up your new phone

The first time you switch on your phone, follow the onscreen instructions to sign in to your Google® Account, transfer content from your previous phone or restore your backup, and more.
